- Any payment which is not made by the established due date of each month shall be considered in default, and shall entitle the City of Chula Vista to require the payment of the remaining balance in full or initiate such legal proceedings as the City of Chula Vista determines to be appropriate and necessary. Should the City of Chula Vista file a legal action to collect outstanding amounts due under this agreement, the City of Chula Vista shall be further entitled to recovery of its costs, including reasonable attorney fees.
- Minimum Monthly payment will be no less than \$25 and the maximum term for all payment plans will not exceed 18 months unless approved by management.
- All payments will be payable monthly (on established due date) until the outstanding balance is paid in full. Nothing in this agreement shall prevent you from paying amounts greater than the established monthly installment.
- The City of Chula Vista further does not waive any other right of action available by law against the signer.
- If you are enrolled in a payment plan, then you must make required monthly payments on the due date and otherwise comply with all applicable terms and provisions of the program, and all payment requirements.
